

Digitiliti, Inc. Announces Filing of Form 10/A-2 Registration Statement with the SEC and Availability of First Quarter 2008 Unaudited Condensed Consolidated Financial Statements

ST. PAUL, MN -- (BUSINESS WIRE) -- July 15, 2008 -- **Digitiliti, Inc.** (the "Company" - Pink Sheets: DIGI), announced today that it had filed its Form 10/A-2 Registration Statement with the Securities and Exchange Commission (the "SEC") and had released its unaudited condensed consolidated financial statements for the first quarter 2008.

Form 10/A-2 Registration Statement

The Company's filing of its Form 10/A-2 Registration Statement with the SEC became effective on July 14, 2008, following an amended filing with the SEC on July 11, 2008. The filing makes the Company a "reporting issuer" under the Securities Exchange Act of 1934, as amended. Once any additional comments that the SEC may have, if any, are satisfied, the Company intends to seek quotations of its common stock on the OTCBB.

Unaudited Condensed Consolidated Financial Statements

The Company released its unaudited condensed consolidated financial statements for the quarter ending March 31, 2008, in this filing, and these financial statements will appear in Standard and Poor's Daily News Section of Corporation Records within a few days.

The Form 10/A-2 Registration Statement containing the unaudited condensed consolidated financial statements may be viewed in the SEC's Edgar Archives at www.sec.gov and has been filed with Pink OTC Market, Inc. (the "Pink Sheets") and included in the Company's web site. Further, all current information about the Company that has been previously listed in the Pink Sheets can be accessed at www.pinksheets.com and by the Company's symbol ("DIGI") in the "Get Quote" box and then clicking on the "Filings" link. This information can also be accessed in the Company's web site, www.digitiliti.com, under the heading "Shareholder Information."

About Digitiliti: Digitiliti, based in St. Paul, Minnesota, is a pioneer and technology leader in the on-line data storage solutions business. Digitiliti's fast growth results from its focus on providing SMB/SME companies with enterprise class features and services that are easy to use. All Digitiliti services include comprehensive off-site data protection, on-demand user scalability, rapid file restoration and disaster recovery.

Forward Looking Statements:

This release contains forward-looking statements. Actual results may differ from those projected due to a number of risks and uncertainties, including, but not limited to the possibility that some or all of the pending matters and transactions considered by the Company may not proceed as contemplated. These statements are made based upon current expectations that are subject to risk and uncertainty. The Company does not undertake to update forward-looking statements in this news release to reflect actual results, changes in assumptions or changes in other factors affecting such forward-looking information. Assumptions and other information that could cause results to differ from those set forth in the forward-looking information can be found at www.pinksheets.com.
